Welcome to the South East Hampshire Basketball Leagues 2009/10. The following pages contain all the fixture lists for the coming season. I have given fixed dates for fixtures and would be grateful if teams could stick to these. However, in exceptional circumstances these may need to be changed. This should only happen with the agreement of both teams and the league organiser must be informed in advance. Some teams have indicated that they may wish to play triangular fixtures these must be arranged by the teams themselves.

All match results must be reported by both teams to Tim Brown (brownt@bishopluffa.org.uk) within 24 hours of a fixture being played.

The following match points will be awarded: 1 point for a loss, 3 points for a win, **1 demerit point** for a late or unreported result.

Please note that **no game can finished tied**. Please use sudden death 'free throws' to determine the match outcome.

League positions will be determined by 1) Match points. 2) Number of wins. 3) Points difference. 4) Points scored.

Full league rules regarding timing, size of match ball, man to man defence, and full court press will be issued by Paul Barry (Chairman: SEHBBA) shortly.
