

Year 12 Law.

Introductory work.

Bring this work with you to class for our first lesson together.

1. Please read the 3 pages from the textbook we will be using for the Law course. Expect to be asked questions from it in our first lesson. Complete the 'Check your understanding' questions.

2. Please find and print off the AQA specification for the Law course we are following: <http://bit.ly/2uUoAB> (YOU ONLY NEED PAGES 7-22). If you do not have a printer, upload it on to your google drive and store it in your 'Law' folder. Either method is fine.

3. During the holiday, choose **one** of the following cases to research and write about (2-3 paragraphs)

- Briefly, what happened in the case?
- From a legal point of view, why did it make the national newspapers?
