

SPANISH BRIDGING WORK

Making the transition from GCSE to A Levels smoother!

In order to prepare yourself for next academic year we would like you to do the following:

1. **Reading:** learning how to read in a foreign language is really important and it takes time to learn how to do it properly. You will have to read a Spanish novel in Year 13 and write an academic essay about it. To prepare yourself for it we are going to read a series of short stories in Spanish during year 12. Please, read the first 3 stories called: "La paella loca", "La criatura" and "El caballero" this summer. We will discuss them in class the first week of September. You can buy the book using the link below or alternatively you can come to school and photocopy the first 3 chapters.

2. **Grammar:** we recommend you spend some time revising grammar already learnt at GCSE. Please find attached a grammar booklet for you to get started. Please, complete pages 1 to 67 during the summer holidays. We have extra copies in the school if you want to come and pick one.

3. Use the link below to open our **Spanish Site** and bookmark it in your working computer so you can access it anytime. In the A Level section you will find a wide variety of resources including music, films, podcasts, newspaper articles, etc... We hope you find something you like!

If you are an external candidate, you will need a Bishop Luffa email address to see the Spanish site content. Please, contact the school to request access if you want to have a look at the site over the summer. Alternatively, you can explore it when you start the course.

The most important thing is to make sure you practise all the skills (Speaking, Reading, Listening, Writing and Translation) on a regular basis. We recommend you make yourself a calendar this summer and pencil activities that cover all the skills every week. Here you have an example:
