Why? What do I love about it?

Full of myths, legends and adventure – Rebekah
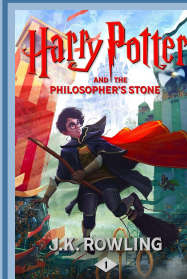

Plot twists galore! – Adam

This is the first book of the series about an autistic girl and her adventures, bound for you to enjoy.– Autumn–Rae

I love the ending, I really like the way the main character progresses through the plot and the way you have to figure out the reasoning behind the crime as the story goes on.– Ada

It's a great book, explores fantasy and has a link to Christianity, it is generally very good.—Frankie

Full of magic and Weasleys!! – Amber
