Prayer of Saint Richard of Chichester

Thanks be to thee, my Lord
Jesus Christ,
for all the benefits thou hast
given me,
for all the pains and insults
thou hast borne for me.
O most merciful redeemer,
friend and brother,
may I know thee more clearly,
love thee more dearly,
and follow thee more nearly,
day by day.

Amen.

Love each other as I have loved you.

**CHILDHOOD'S
TOO SHORT TO
BE SPENT ON A
SMARTPHONE**

smartphonefreechildhood.co.uk/join

At Bishop Luffa School we believe that children should not have smartphones before they reach Year 10.

Only at this point do the benefits of smartphones begin to outweigh the risks.

Presently, phone use is banned during school hours: 8am - 2.30pm.

From September, phone use will be banned for students whenever they are on-site.

If a student is seen using a phone on-site, they will have to give their phone in at the start of each day.

Want to wait to give your child a smartphone but don't want them to be the odd one out?

You're not alone! There's a growing movement of parents across Britain who are choosing to wait to give their children smartphones, and it's simple to get involved.

The Parent Pact is a way to join together with other **parents to** agree to delay getting your child a smartphone until at least the end of year 9 (when they're a bit older and more able to deal with everything the online world brings).

It's all about strength in numbers – if your child knows that other kids in their class won't be getting a smartphone for a few years either, the peer pressure instantly dissolves.

It takes 30 seconds to sign the Parent Pact – and you can see how many others in your child's class, school and county have signed on the live leaderboards and connect with them via the Smartphone Free Childhood regional WhatsApp groups.

THE PARENT PACT

Sign the Pact here or find out more on our website

@smartphonefreechildhood

We hope that you will support us by not giving your children a smartphone.

You will naturally be worried about peer pressure.

We encourage you to sign up to the Parent Pact at smartphonefreechildhood.co.uk.

You will find that a large number of parents and carers already have.
