Sparx Maths

- www.sparxmaths.com - You do not need Arbor.
- Login with Google is easiest.
- Homework opens on a Wednesday at 2pm, and is due by lunchtime the following Wednesday every week. It is “one hours worth”. **Always Wednesday to Wednesday for all year groups.**
- They can do a little bit at a time over the week or all at once.

Sitting down with your child and doing it together on a Wednesday evening gets them in good habits and would be wonderful- but it's important it works best for your family!

- Beware: PhotoMath...
- Students should be working on paper.
- Each question has a video to help but we are in M8 every lunchtime with a bank of laptops ready!
- Opportunity to “fix up” any questions from the baseline assessment they did last week.
- Compulsory + XP Boost + Target each week - invited to Legoland trip in Summer Term.

We need your help

If a student accidentally brings nuts into school what should they do?

Wipe down any surfaces they have had contact with whilst with the product in their hand using a sanitising wipe after alerting a member of duty staff. They will need to wash their hands thoroughly with soap and water.

Can I have nuts before coming to school?

Yes, but after consuming these products it is important to wash hands with soap and water. Hand sanitizer is not as effective in removing food allergens.
